

# TAKING TIME

## FIRST VERSE

Taking time  
Man dem run hot laps in a stolen merc  
Major crime  
Now I just dance with the heart, my head, anything  
On my mind  
I don't want the fame, the glitz, the glamour, no  
On my life  
...That's why I'm  
Taking time  
Men dem run hot laps in a stolen merc  
Major crime  
Now I just dance with the heart, my head, anything  
On my mind  
I don't want the fame, the glitz, the glamour, no  
On my life  
...That's why I'm

## HOOK

Taking time  
Taking time  
Taking time  
Taking time

## THIRD HOOK

Why do you dance?  
Why do you, why do you dance?  
Why do you dance?  
Move your feet with your heart

## SECOND HOOK

Taking time  
Major crime  
On my mind  
On my life

## BUILD-UP VERSE

Taking time  
I know that I'm on your mind  
I just wish that you would dance  
Go and dance with your heart  
Dance, dance under the stars
